

Boulder Creek's 1st

Medieval Times

May 10th- 8:30 a.m.-12:00 p.m.

This year 7th grade will be having its 1st Medieval Times. We are hoping that we will have a lot of input and help from parents. Student are learning about the early and middle ages in Medieval history. We are asking students to dress in this era. There are many ideas on how to make costumes from scratch. Ideas are located on my weebly website. This is not meant to be a costly activity. Many items can be found in your home. We are asking for any donations for our medieval lunch and activities. Students will dine at a "round table" setting eating foods from the time era. (roasted chicken, potatoes,) Students will also go to stations and have a "hands on" experience with medieval art and science. Below is a list of items and volunteer positions we will need. This day will be a success if we have parent support. Please sign below if there is anything you may help with. Thank you!
